Roper may be flagged out at the flagger's discretion if an animal is being abused. To ask for a time after the tie, roper must raise both hands into the air. Should the roper touch the tie string after raising hands, a no time will be given. In the long round, a broken barrier equals a no time. ### **Yavapai County Sheriff Posse**

The Yavapai County Sheriff Posse has been running the beer stand for the ACRA for quite a few years now. They do an awesome job and we sincerely appreciate all their hard work. A couple of years back they built a portable bar to be used at our rodeo. They would like to decorate the bar with various brands from ranches throughout Arizona. They are asking members to bring their irons to the rodeo, and for a donation of your choice you may decorate the bar with your brand or brands. Proceeds will benefit their scholarship fund. Please help make this bar unique, and help out with a good cause. (They will supply the heat needed for the irons).

### **Volunteers Needed**

We are always in need of help at the rodeo in different areas. If you would like to volunteer to help work the doors at the dances, stock the bathrooms with toilet paper and soap once a day, help with the gymkhana or dummy roping it would be greatly appreciated. Please call the rodeo secretary or appropriate director.
